To Whom It May Concern,

I would like to introduce myself and provide some insight on my working relationship with Mrs. Brenda Ridgley.

Currently, I am employed with the Frederick-Firestone Fire Protection District as a part-time Fire Prevention Specialist. From 2003 to 2017 I was a Division Chief/Fire Marshal for the Fire District.

I have worked with her on many projects due to her position as a Commissioner for the Town of Firestone, Parks and Trails Committee, as well as her position as a Board Member for the Carbon Valley Chamber of Commerce. Though the project that stands out the most and that I have worked with Mrs. Ridgley on is the Carbon Valley Half Marathon for Autism. To date, this event has raised \$122,000.

Mrs. Ridgley is caring, compassionate, and dedicated, to serving citizens of our communities in the Carbon Valley area.

Recently, Mrs. Ridgley was awarded Mrs. Carbon Valley. Mrs. Ridgley was very deserving of this award. I would support Mrs. Ridgley in the state competition for Mrs. Colorado America.

There is not a candidate out there more deserving of this award.

Sincerely,

A handwritten signature in blue ink that reads "D.P. Puccetti".
